ANALYTICS

CASE PROFILE

This health services agency was not ranking for their own name and had no brand awareness online. Infront Webworks was immediately able to identify several technical issues. Infront implemented keyword research, SEO site audit, content optimization and link building. This resulted in a 74% increase in organic blog traffic, an increase in new Users by 208%, 122 new keywords in the top 10 or front page and 42 keywords in the #1 position.
